## **Public transportation:**

We recommend using the airport train (“I” or “P”) for Helsinki City center hotels. For the transport, we recommend buying 4 (or 5) days regional transport ticket which is valid in all busses, trains, metros, trams and ferries throughout the Helsinki Metropolitan area (including the airport). You can buy single tickets from the driver; other tickets (4-5 days) are sold at the airport, most of the “R-kioski” chain kiosks and vending machines found e.g. at the Metro and train stations throughout the city.

To reach the Finnish Meteorological Institute from city center it is easiest to take tram number 6 or 6T and stop at **KYLÄSAARENKATU**. From the city center to the FMI building you need between 20 and 30 minutes by tram. There are also many different bus lines (e.g. 71, 74, 75, 77) between the city center and FMI, please check details from <https://www.reittiopas.fi/>

If you come directly from the airport to FMI by public transportation, you need to change from the airport train or bus to another bus or tram, or walk 1.5 km through a park (see map on page 6). The easiest way is to take bus number “615”, exit at “Sörnäinen metro station” and change to a tram “6” or “8” towards FMI. You will find many other, different connections (e.g. train “P” from airport, change to bus “73” at Malmi railway station) using the <https://www.reittiopas.fi/>

## **Prices:**

Regional ticket (valid in whole Helsinki metropolitan area, including the airport and Suomenlinna ferry)

Single ticket: 5.50€

4-days ticket: 30.00€

5-days ticket: 36.00€

Helsinki (valid inside city, e.g. between the hotels and FMI; also on Suomenlinna ferry; not valid from/to airport):

Single ticket: 3.20€ (2.70€ from ticket machine)

24-hour ticket: 8.00€

4-days ticket: 20.00€

5-days ticket: 24.00€

## **Transport links to Helsinki Airport:**

By train (a circular route): “I” and “P” trains

By bus: Bus 615 (Main railway station “Rautatientori” - Airport)

## **Taxis**

Order through the Helsinki Taxi Centre: +358 100 0700

Approximate price: Airport → Center of Helsinki: 40-60€ (depend on time of the day and number of passengers; all taxis have the same rates based on taximeters)
